## Bio-Fertilizer **Engano Plus**

Limited amount of land shouldn't be an obstacle to produce more harvest. Harvestmore Indonesia presents Engano Plus Bio-Fertilizer, with natural active enzyme in compressed liquid concentrate form. This enzyme activates and rejuvenate soil fertility because it contains a spectrum of essential nutrients to enable and enhance the natural biological process in plants, so the plants can grow healthier production and produce more.

## **Engano Plus** and Clove

Clove is the country's indigenous plant that becomes renown worldwide and sought after by food, cigarette and pharmaceutical industries. These industries tend to look for quality more than quantity. Engano Plus has been proven through series of plantation try out that it not only increase harvest but also can improve the clove quality.
